## KEEP BED BUGS OUT OF YOUR HOME!

Awareness of bed bugs have literally swept across the nation in the last couple of years. Stay on the lookout and follow these prevention tips!

Don't pick up furniture found on the street or near a dumpster. The furniture may look okay, but it could be full of bugs.

Look before you buy used furniture! Use a flashlight to look at the underside of cushions and mattresses, in seams, in drawers, etc. Bed bugs can be found hiding just about anywhere...bedside clocks, lamps, wall hangings, etc.

Use high heat to wash and dry all used cloth items before bringing them into your home! Including bedding, clothes, towels, curtains, stuffed animals, etc.

### When staying in motels and hotels...

Use a flashlight to check the mattress, box springs, headboard and luggage rack. Ask for another room if you see any sign of bugs.

Keep your luggage, bags and clothes off the floor and beds. Put them in the bathtub or on the luggage rack.

Wash and dry all clothing on high heat when you return.

Keep suitcases in the garage or in a sealed plastic bag when not in use.

### At home....

Keep your home clean! Vacuum often. Wash sheets in hot water and dry them on high heat once a week.

Keep clothes, toys and papers picked up and take out garbage on a regular basis.

Keep your home repaired. Call in work orders timely.

If your home shares walls with your neighbors and you think they might have bed bugs....

Protect the legs of your beds and furniture. Put furniture legs in plastic containers with talcum powder in the bottom, so that the bugs can't crawl up the legs and onto the bed.

Keep bedding from touching the floor or walls.

Move furniture away from walls

### If you think you have bed bugs....

1. Don't panic!
2. Tell your landlord right away.
3. Don't use bug spray, bombs or other pesticides. They don't work and could be dangerous to your health!

## Write it Right: Make your check payable to..

Some residents are still incorrectly completing their rent checks/money orders. Follow the below guidelines:

*if Rental Program:* Write checks to:

Income-based: RHA

Seniors: Carousel Place

Market : CAD, Inc.

So for example, if you are an income-based tenant, make your check payable to RHA, not Chavis.

Our bank will NOT accept a check or a money order that has been altered even if the correction was initialed by the tenant!

Lastly, to ensure that your payment is properly posted to your account, please make sure to sign your check/money order and put your address in the memo section

**Write it right so your payment wont be delayed!**
